Engines are the heart of Isuzu, an industry leader of over 26 million engines worldwide.

The Isuzu Motors America, LLC, PowerTrain Division (ISZAPT) Engine Distribution Network consists of Distributors and Authorized Dealers. Each is an Isuzu diesel engine expert in its respective market. For service outlet referrals, please contact the Distributor listed in the state in which you are interested.

Contact information is continually updated and available on the www.isuzuengines.com website.

Market responsibilities are identified as follows:

- **Industrial Distributor**: All off-highway industrial applications including marine applications.
- **Marine Distributor**: All off-highway industrial applications including marine applications.
- **24 Hour Service**: All off-highway industrial applications.
- **Industrial Full Service Dealer**: The Dealer provides product support for Isuzu engines installed into a specific make of equipment. Please contact the local Isuzu Distributor to determine the appropriate Dealer for a specific make of equipment.
- **Industrial OEM Dealer**: All off-highway industrial applications.
- **Marine Dealer**: All commercial marine engine applications.

### International Distributor Network
A listing of Isuzu international locations is continually updated and can be found by accessing the distributor map located on [www.isuzuengines.com](http://www.isuzuengines.com).

### Product Registration
Registering Isuzu engines for warranty purposes can easily be accomplished on the [www.isuzuengines.com](http://www.isuzuengines.com) website. Registration provides the user with contact information for the respective distributor responsible for any updated maintenance. Registration also continues to keep the customer informed of any information related specifically to that particular product and allows for service support when needed.
